

ANNOUNCING

Hansen Authorized Repair Center

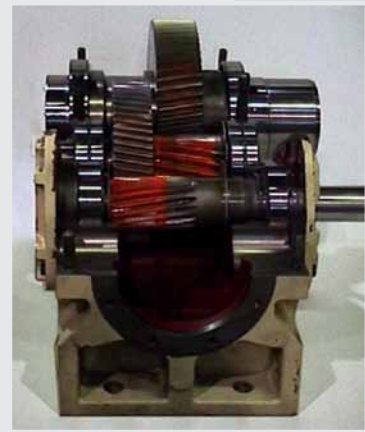

Don't take a chance, send your Hansen reducer to our Service Center and have it rebuilt to original factory specifications.

Hansen Service Center:

Based on our expertise, competitiveness and performance, we can provide regional repair/rebuild and field service capabilities for customers using Hansen reducers.

We use only ***Hansen Original Equipment Parts***, manufactured to Hansen specifications complete with technical assistance to guarantee complete rebuild and optimal reducer performance.

On-site inspections are available.

For factory OEM original replacement parts, on site inspection, and factory trained authorized repair of your Hansen HP1, HP2, HPP, UniMiner and P4 reducers.
